Tea Cup

On this fun interactive ride, riders can rotate the manual wheel in front of them to spin the cabin by themselves while the table floors turn round at different speed. Any group of family or friends can be seated together to share the excitement, as it can accommodate different generations from little kids to elders.

- ✓ Diameter : 13 m
- ✓ Capacity : 48 persons
- ✓ Ride Cycle : 3 min

- ✓ Small Table Rotation Speed : 8 rpm
- ✓ Large Table Rotation Speed : 4 rpm
